More werewolf than vampire, Riley is vulnerable to the moon heat, the weeklong period before the full moon, when her need to mate becomes all-consuming.... Luckily Riley has two willing partners to satisfy her every need. But she will have to control her urges if she's going to find her brother....Easier said than done as the city pulses with frenzied desire, and Riley is confronted with a very powerful—and delectably naked—vamp who raises her temperature like never before. In matters carnal, Riley has met her match. But in matters criminal, she must follow her instincts not only to find her brother but to stop an unholy harvest. For someone is doing some shifty cloning in an attempt to produce the ultimate warrior—by tapping into the genome of nonhumans like Rhoan. Now Riley knows just how dangerous the world is for her kind—and just how much it needs her. BONUS: This edition contains an excerpt from Keri Arthur's *Kissing Sin*. That had been Skylar's goal since she discovered that she had died at birth and become a host to a very powerful spirit shade. She was a werewolf with the ability to manipulate magic, and that made Skylar an enigma that most viewed as either an asset or a danger. Being an anomaly in the otherworld was a hazard, and last year she had barely survived. After declining membership in the Midwest Pack, Skylar naively thought she could return to a normal life and fade into obscurity. She was wrong. After saving the life of a pack member who was brutally attacked, Skylar finds herself pulled back into the otherworld to help the Northern Seethe and Midwest Pack find the person responsible for the recent attacks on their people. The situation is further complicated when the Seethe hires Chris, a hunter and the pack's Beta's ex. With her connections and extensive knowledge of the otherworld she should have been a welcomed asset; but her turbulent history with the pack, complicated relationship with the Master of the Northern Seethe, and the lingering feelings between her and the Beta create conflict between the enemies-turned-allies. Once again, Skylar must negotiate the lies, secrets and strange politics that govern the otherworld while struggling not to draw attention to her abilities. It falls apart when she inadvertently changes a peculiar vampire and Chris discovers the link between Skylar and the culprit responsible for the attacks on the vampires and were-animals. Now Skylar wonders if she will be able to survive the otherworld this time. Eden Black walks among humans, protecting them from the murderous evil of other-worlders who abduct and enslave. And though she appears to be human herself, Eden is an alien, a Raka, distinguished by her golden hair and skin, and

gifted with the ominous ability to kill without remorse -- and with total accuracy. That is, until the fateful night she has one shot to eliminate her target, a human slaver -- and misses. "Failure" is not in Eden's vocabulary. Neither is "partner" -- but that's what she is forcibly assigned after recovering from her disastrous mission. A sexy, steely-nerved human agent, Lucius Adaire enjoys nothing more than sparking the fury -- and rousing the desire -- of the fiery female assassin too proud to admit defeat. Locked in an assignment they cannot afford to lose, Lucius and Eden find themselves bound in two high-stakes, heart-pounding games: the sensual web of kill or be killed, and the erotic dance of seduction. Even demons have limits. Crina is on the verge of reaching hers. Father branded a traitor. Check. Employers going behind her back. Check. Threats on her life. Check. The shitlist goes on and on. So, really, the last thing Crina needs in her life is another denizen of the Shadow World. Even if he does offer protection in exchange for her deadly services. Because everyone has an agenda. And pledging herself to someone she'd rather see in her bed than on the throne isn't without consequences. In the shadows of the night, Darian has lived alone for almost a century. Made and abandoned by her former love, Darian is the last of her kind--an immortal Shaede who can slip into darkness as easily as breathing. With no one else to rely on, she has taught herself how to survive, using her unique skills to become a deadly assassin.
